

GP251

Control Knob

Overview

A new addition to the successful range of control knobs already made by Sifam Controls – a division of Devlin Electronics Ltd.

Suitable for a variety of applications, this quality Nylon grub (set) screw type knob comes complete with printed line, and is suitable for a ¼" shaft. 6mm spline and 6mm round shaft versions also available upon request.

Standard colour black, with white line, but other body and line colours available.
